Figure 1: People looking into a computer screen

Actors involved

- Your device (phone, computer, tablet)
- My computers with public internet access
- My laptop
- The LED screen

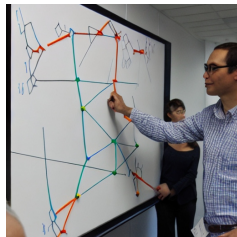

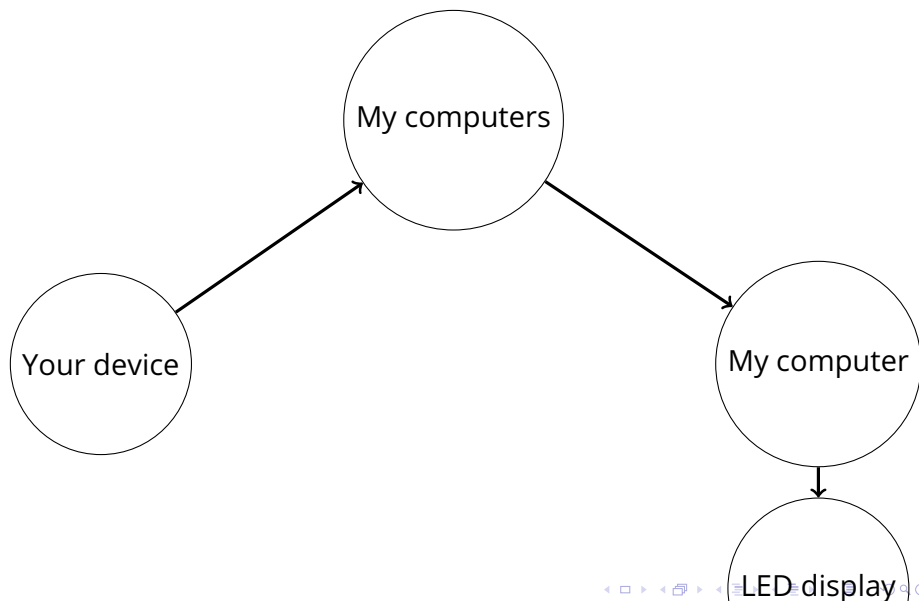

Figure 2: A teacher explaining a concept

Graph of Information

College

- Learn how to make what I made
- Meet other cool smart people
- Have fun learning subject you want to learn
- Gaining skills to do cool things the rest of your life

Figure 3: A image of a college building

Easter Egg

All the images were created with Artificial Intelligence - a computer created them (<https://deepai.org>)

Figure 4: A futuristic car
